Vision Point serviced offices and meeting rooms offer unbeatable value for money, flexibility and security.

Vision Point provides ideal accommodation for startup businesses up to Call Centre Operations.

The bright office suites are fully furnished with high quality fixtures and fittings along with access to the latest Cisco Voice and Data Infrastructure.

Cost effective, flexible agreements allow a wide range of space options to cater for both the office occupier and the occupier requiring a mix of office and light industrial or storage space.

The range of options includes:-

- ★ Private Office
- ★ Open Plan Team Office
- ★ Pod Desking
- ★ Touchdown
- ★ Virtual Office

Benefit from the flexibility of upsizing and downsizing as your business demands and only pay for the space you occupy.

Vision Point - Unbeatable value for money, flexibility and security
